

# Construction Excellence

Your trusted partner for commercial and residential construction projects.

# About Our Company

We specialise in delivering exceptional construction services across a range of project types:

## Commercial Projects

Office buildings, retail spaces, warehouses and industrial facilities built to the highest standards.

## Residential Projects

Custom homes, housing developments and multi-family dwellings designed for modern living.

## Renovation Contracts

Transforming existing spaces with expert renovations that enhance functionality and value.

# Our Services

We provide comprehensive construction services to meet all your project needs.

## Plumbing

Complete plumbing solutions for new installations and repairs, ensuring efficient water systems.

## Electrical

Expert electrical installations and maintenance for safe and reliable power systems.

## Painting

Professional painting services for interior and exterior surfaces with premium finishes.

# Additional Services

## Flooring

Installation of hardwood, laminate, tile, and carpet flooring to enhance the beauty and functionality of your space.

## Tiles

Expert tile installation for bathrooms, kitchens, and other areas requiring durable and attractive surfaces.

## Fabrication Works

Custom metal and woodwork fabrication to create unique structural and decorative elements for your project.

# Commercial Projects

## Office Buildings

Modern workspaces designed for productivity and employee wellbeing.

## Retail Spaces

Attractive and functional retail environments that enhance customer experience.

## Industrial Facilities

Robust structures built to support manufacturing and logistics operations.

We deliver commercial projects on time and within budget, with minimal disruption to your business operations.

# Residential Projects

## Creating Dream Homes

Our residential construction services focus on quality craftsmanship and attention to detail. We specialise in:

- Custom-built homes tailored to your lifestyle
- Housing developments with community-focused design
- Multi-family dwellings that maximise space and comfort
- Energy-efficient and sustainable building practices

Every home we build reflects our commitment to excellence and your vision for ideal living.

# Renovation Expertise

## Kitchen Renovations

Transform your kitchen into a functional and beautiful space with our comprehensive renovation services.

Our renovation team works efficiently to minimise disruption while delivering outstanding results.

## Bathroom Upgrades

Modern bathroom renovations that combine luxury, functionality and water efficiency.

## Home Extensions

Expand your living space with carefully designed and seamlessly integrated home extensions.

# Our Process

## Initial Consultation

We meet to discuss your project requirements, budget constraints, and timeline expectations.

## Design & Planning

Our team develops detailed plans and specifications tailored to your needs.

## Construction

We execute the project with skilled tradespeople and quality materials.

## Quality Assurance

Rigorous inspections ensure all work meets our high standards.

## Project Completion

We deliver the finished project on time and to your complete satisfaction.

# Why Choose Us

## Experienced Team

Our skilled professionals bring years of industry experience to every project.

## Quality Craftsmanship

We take pride in our attention to detail and superior workmanship.

## Comprehensive Services

From plumbing to fabrication, we handle all aspects of your construction needs.

## Client Satisfaction

Your satisfaction is our priority, and we work closely with you throughout the project.

# Testimonials

Roopa

“We are extremely happy with Mr. Muniraju, Vinay, and their team for turning our dream home into reality with care and professionalism. They managed everything smoothly, delivered on time, and continue to support us even after completion. Their dedication, transparency, and trustworthiness make them truly commendable.”

# Testimonials

## Sreenath

“We are grateful to Mr. Muniraju, Vinay, and their team for turning our dream home into reality with care and responsibility. They understood our needs, guided us with valuable suggestions, and delivered the project on time just as we wanted. Even after moving in, their support and friendly nature make them feel more like family than just builders.”

# Testimonials

## Shreeram

“I was introduced to Nayana Constructions, Mr. Muniraju and Vinay 4 years ago and since then haven't needed another contractor. From grills to plumbing, carpentry, and painting, they managed everything efficiently, even finishing remote-site work in a week without supervision. Truly trustworthy, reliable, and deserving recognition.”

# Testimonials

Aruna S

Being known to the builders for many years, it was a no-brainer to choose them for constructing our duplex house on a 30\*40 site, and they were very resourceful and cooperative. From demolition of the old building to the housewarming of the new one, they took complete responsibility, delivered as promised, and we are very happy and content with the work done.

# Testimonials

## Chandan

“Nayana Constructions turned our dream home into reality with care, quality, and professionalism. With Mr. Muniraj and Mr. Vinay's personal involvement, every detail was handled perfectly. We're truly grateful and very happy with our new home”.

# Testimonials

**Priya**

“We've known Nayana Constructions for decades, and they built our 3-storey house in 2023 within 15 months with impressive accuracy and quality. Open to ideas and offering valuable inputs, Mr. Muniraju and his son Vinay showed dedication, patience, and a collaborative attitude truly reliable and highly recommended.”
